Dear Pranav,

I hope this email finds you well.

I am Srujan Aravalli, a 7th-semester ISE student. I am writing to provide you with an update on the progress of our Major Project - 1. As part of this week's progress, we have attached the Synopsis document, outlining the key developments made so far.

Additionally, we have included the progress report of our team, which requires your signature in the mentor section. Kindly review the documents and provide your approval at your earliest convenience.

We would greatly appreciate any feedback or suggestions you may have to help us improve the quality of our work.

Thank you for your time and support. We look forward to your guidance.

Best regards,
Srujan Aravalli

This week, we have successfully completed the Literature Survey. Please find attached the document containing the details of the research papers reviewed. Let me know if you would like me to provide a brief summary of the key findings or highlight any specific areas for further exploration.

Best regards,

Hello srujan,

I have gone through the documentation and reviewed it.
It seems to be okay for me and please keep up the updates regularly.

Thank you
Pranav
